Bring "The Dark Escape" to your area in 2015!

The Dark Escape has been created by Christian Artist/writer & speaker Jme Medina. This event is not only to entertain, but to disciple our young people and families, to bring hope & freedom from bondage. We aim to give people the awareness & tools to help them overcome struggles. The last thing our Christian communities need is another concert or other non-participatory event to be entertained by. We are being entertained to death...

What our communities need is knowledge, the incomparable move of God and an outpouring of His Holy Spirit to set the hearts of His people on fire! We need to escape the darkness that is blinding our churches and culture into apathy.

These nights and/or week-

ends will be totally free for the participators. The event will be complete with anointed worship, powerful speaking, testimonies, entertainment and life-changing workshops. Speaking topics will address relevant issues affecting our teens and families today such as: suicide, depression, addictions, the occult in mainstream media, and more.

These events are opportunities to truly engage in changing the lives of your youth, your congregation, your neighborhood, your community, and yourself. It's not meant to be just a night or weekend of entertainment, but an experience and encounter with the living God! It is our prayer that this event will draw people into a surrendered and renewed relationship with Jesus Christ, and that it will overflow to impact the lives of those around us.

How much does it cost?

We understand that budget can be a concern for any ministry or promoter, so we are ready to creatively tailor this event specifically to work with your budget. We always do our best to accommodate the needs of those who have invited us.
